

**Kingdom Mindset... Part Two...Launch Out
Sunday June 23, 2019**

Matthew 6:33... But seek first the kingdom of God and His righteousness, and all these things shall be added to you.”

Luke 5:4... “When He had stopped speaking, He said to Simon, “Launch out into the deep and let down your nets for a catch.”

What you focus on—the kingdom you're most aware of—is what you release into your world and the atmosphere around you...

We influence our surroundings by what's going on inside us. The presence released from our lives has the power to change the atmosphere...

We are a royal priesthood ...in the new covenant we are a nation of prophets; priests and kings...

It's not about shouting into the darkness but receiving another perspective in the Presence of God.

Israel had to wait to get into the Promised Land because they had a fear mentality instead of a kingdom mentality. They were afraid of something that never actually happened.

Fear is a form of slavery. When we live in fear, we don't live in freedom.

Fear is almost always irrational and will absolutely hold you back from inheriting what's yours!

Learn to THINK on the level that you're anointed...

I don't want to help produce a mini-me I want to help produce a maxi-you...

The kingdom of God is filled with righteousness, peace and joy in the Holy Spirit....

We reflect the nature of the kingdom we are most aware of.

Focus on the Principles of the Kingdom and the Presence of the King....

We must make God's Kingdom and presence our priority!

When someone or something has priority in your life that means it has precedence; superiority in rank, position or privilege. That priority item or person... is FIRST.

If we don't set priorities in our life, we tend to follow the path of least resistance... PUT GOD FIRST IN EVERYTHING!

When we live out God's order, seeking Him first above all things, we will truly prosper.

When you implement a divine principle, you reap a divine result...that's your reward!

Everything in the kingdom of God is put into a proper, systematic order... "FIRST THINGS FIRST."

Seek... Of uncertain affinity; to seek (literally or figuratively); specifically (by Hebraism) to worship (God), or (in a bad sense) to plot (against life): - be or go about, desire, endeavor, enquire (for), require, (will) seek (after, for, means).

Kingdom Destiny is calling....

Launch out into the deep with an expectation that God will meet you there. He will never call you to walk on the water and not be there to walk with you. He will never tell you to let down your nets without bringing a collision with increase.

1. Growth Mindset.... Our spiritual and mental neighborhoods aren't always designed for the greatness of God....

Maybe we should be celebrating "Growth Days" and not "Birthday's"...

Our continued growth is the only guarantee the future will be better than the present...and that we will be prepared for the things that our future holds that we don't know about. We should strive to be different today than we were yesterday – and different tomorrow than you were last month- and different this year than we were last year...

KEEP THE GROWING GOING...

Luke 2:52... "Jesus grew in wisdom and in stature and in favor with God and all the people..."

Healthy growth is not automatic...

GROWTH IS INTENTIONAL...

Healthy growth comes from eating the right food...

Be selective in what you feed on...

I don't need a watered down message that tells me what I want to hear... I need a gospel that tells me what I need to hear...

I want fruitful knowledge...

I want a knowing that translates into growing...

**Focus on knowledge that produces Godly change and fruit in your everyday living...
NEVER STOP INVESTING IN YOURSELF WITH FRUITFUL KNOWLEDGE!!!**

**Don't expect others to invest in you if you don't invest in yourself-grow-learn-change-
expand-stretch-increase-allow God to challenge you!**

**Make decisions that necessitate growth in your life...challenge yourself and allow God to
challenge you...**

Canaan is a land that is fruitful...

God not only wants us to be consumers... He wants us to be contributors...

The only thing Jesus ever cursed was the unfruitful tree...

There is a difference between entitled and entrusted...

Entitled ... it's all mine...

Entrusted... It's all Gods...I am a steward...

God told Abraham...I will bless you...and you will be a blessing...

BELIEVE TO LIVE A GROWING AND GENEROUS LIFE ON EVERY LEVEL.
